Re the disposal of a bundle of clothes seized in Arsikere Municipality

---

I have the honour to state that a bundle of clothes as detailed in the margin was seized during March 1947 near Banavar Toll Gate in Arsikere Municipality as it was found that Octroi was not paid on the clothes and they did not bear the octroi seal of the Municipality. The Municipal President has reported that the owner of these articles is not known, that the council have resolved to compound the offence by levying a fee of Rs 75/- and has sought instructions for the disposal of the articles as no person has come forward to claim them. According to Rules these articles have to be disposed of and the realisations credited to Municipal Funds after wide publication of the notice of sale. Since these are controlled articles I request the favour of kind instructions as to whether the surplus over the compounding fee due to the Municipality may be credited to Government or whether the Municipality may be allowed to have the entire realisation from sale.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Hassan District.
